

Have your say!

Take part in our

Green Infrastructure consultation

The Melton Borough Council is developing a new **Green Infrastructure Strategy and Action Plan**.

Green Infrastructure is the **network of green and blue spaces** in and around the Borough of Melton, and is important for **environmental, economic, health and wellbeing benefits** for nature, climate, local and wider communities and prosperity.

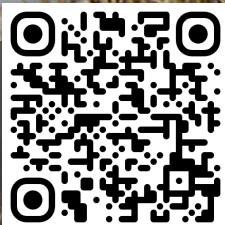

We invite you to **share your views and thoughts** on the current state of **green infrastructure** in the Borough of Melton.

Scan the QR code for more information and to **fill in the online form**.

Alternatively, you can collect a **paper response form** from the following locations:

- Melton Borough Council Parkside Office reception
- Melton Mowbray Library
- Bottesford Library
- Your local Parish Council
- By phone: call our Customer Service team at **01664 502 502**

All responses must be received by **Friday, 6 September 2024 at 12 noon**.

Complete the survey at:
